On March 6, 2001, prior to the relinquishment by the original Lessees, an application for a Public Airport Lease was submitted by the U.S. Gypsum Company for a portion of the original 320 acres segregated under Airport Lease N-12640. On March 17, 2001, the original Lessees (Elwood and Wanda Heiss) voluntarily relinquished Public Airport Lease N-12640.

The segregative effect is hereby terminated for all public lands encumbered by Public Airport Lease N-12640, except those portions of the following described lands, which were applied for and will remain segregated under Public Airport Lease N-74312:

Appropriation of any of the land described in this order under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted adverse possession under 30 U.S.C. 38

(1988), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law.
